

FOR IMMEDIATE RELEASE

BMR Fabrication Rear Cradle Bushing Kit for Pontiac G8

Minimize wheel-hop and reduce rear cradle movement in your Pontiac G8 with a Rear Cradle Bushing Kit from BMR Fabrication. Manufactured from low-deflection polyurethane, this kit includes bushings for the rear differential and suspension cradle. The BMR Rear Cradle Bushing Kit (BK003) minimizes movement and provides additional rigidity in these critical areas which ensures maximum power transmission to the wheels. This results in better handling and more consistent launches without significantly increasing noise, vibration, or harmonics. Available in black.

To preview all of BMR's high-performance suspension parts, please visit www.bmrfabrication.com, email sales@bmrfabrication.com, or contact them at BMR Fabrication, 12581 US Highway 301 North, Thonotosassa, FL 33592, 813-986-9302, Fax: 813-986-8055.
