

FOR IMMEDIATE RELEASE

BMR Fabrication Trailing Arms for the Pontiac G8

Stabilize your Pontiac G8 caster settings and minimize wheelhop under performance driving conditions with a set Trailing Arms from BMR Fabrication. Superior to the factory stamped steel arms, BMR Trailing Arms are composed of 1" x 2" x .120 wall rectangular steel and 3/16" CNC laser cut steel plates. In contrast to the open factory rubber bushings, the BMR Trailing Arms (TCA026) utilize fully-fluted, greaseable, low-deflection polyurethane bushings for fluent operation. Available in black hammertone or red powdercoat finishes.

To preview all of BMR's high-performance suspension parts, please visit www.bmrfabrication.com, email sales@bmrfabrication.com, or contact them at BMR Fabrication, 12581 US Highway 301 North, Thonotosassa, FL 33592, 813-986-9302, Fax: 813-986-8055.
