

FOR IMMEDIATE RELEASE

BMR Fabrication Trailing Arms for the 2010 Camaro

Stabilize the caster settings and minimize wheelhop in your 5th Gen Camaro with a set of Trailing Arms from BMR Fabrication. Superior to the factory stamped steel arms, these Trailing Arms are constructed from 1" x 2" rectangular steel and 3/16" CNC laser cut and CNC formed steel plates. The BMR Trailing Arms (TCA026) utilize fully-fluted, greaseable, low-deflection polyurethane bushings rather than the poorly supported rubber bushings of the factory design. Installation time is only 1 hour. Available in black hammertone or red powdercoat.

To preview all of BMR's high-performance suspension products, please visit www.bmrfabrication.com, email sales@bmrfabrication.com, or contact them at BMR Fabrication, 12581 US Highway 301 North, Thonotosassa, FL 33592, 813-986-9302, Fax: 813-986-8055.
